

AAMBY VALLEY CITY

created for the love of life

About Us

Spanning over 10,600 acres, Aamby Valley City is India's first planned hill city nestled amidst the scenic backyard of the Sahyadris.

A meticulously planned city with world-class infrastructure facilities and accommodations suited for both leisure and premium living.

An Overview

India's first independent planned city is a creative marvel that offers the perfect setting where nature and contemporary living comes alive in perfect harmony.

This perfectly planned gated destination offers superior living spaces and even richer lifestyle options, suited to both leisure and permanent stay.

Regal Arch

This Neoclassical rounded arch is a dominant highlight that marks the entrance of the city.

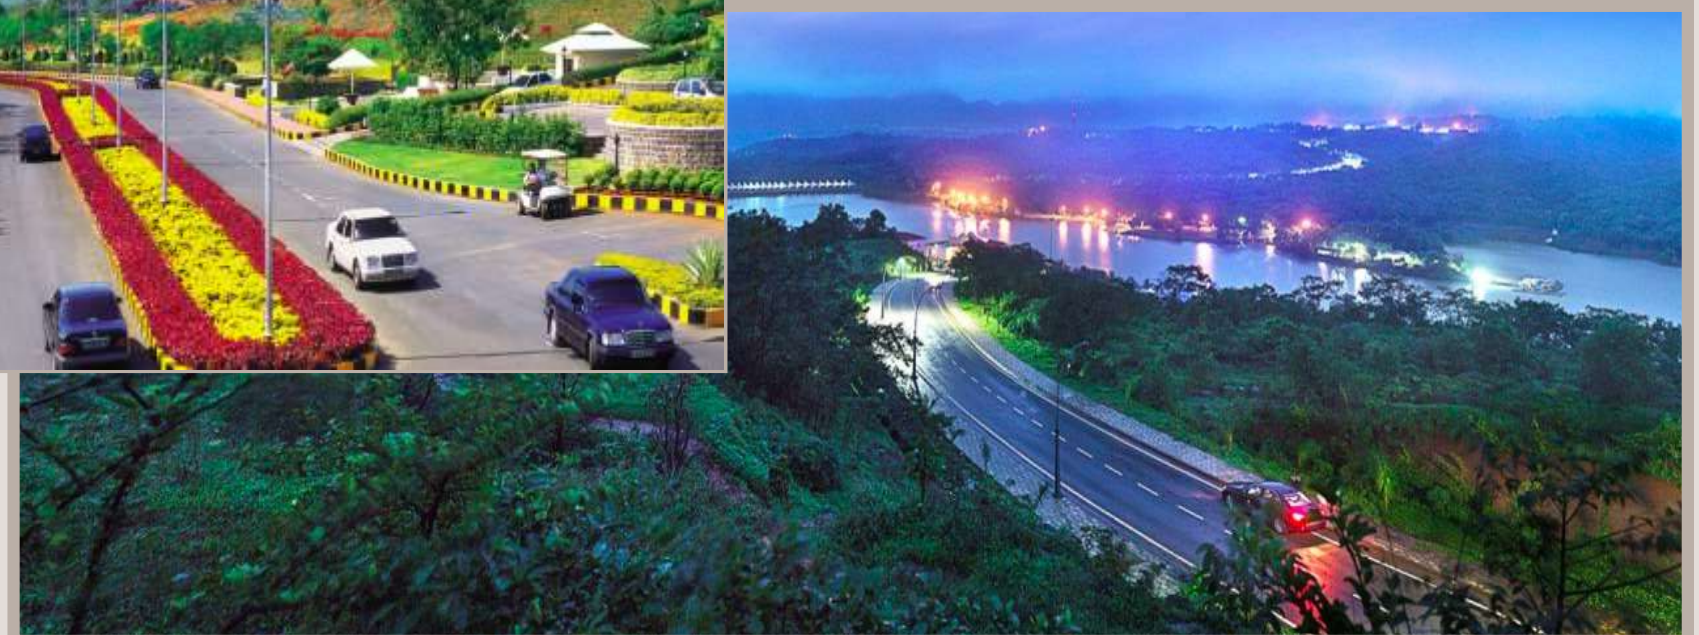

A separate entry and exit gates speaks a lot of the town planning and management of human traffic in the city.

Internal Road

The city spanning across 10,600 acres is internally connected and serviced by about 120kms of smooth roads that make any point on the map easily accessible.

It's ideal for quick movement at any point of time and are functional perennially.

Accommodation

We present an open canvas where you can paint your shots with much ease. Whatever your reason is and need may be. We have something that fits your every thought and every shot. Ideal to fit the different moods and settings that are essential to design plan your shoot schedules.

Supreme Cottages

A huddle of dreamy, cozy cottages in the woods. Large glass windows look breathe in a heightened sense of space while lending a great view. The wooden furniture, a separate lounge space by the window, a study desk and a big bed with a headboard completes the interiors of the place.

Town Plaza Cottages

A huddle of 50 Spanish styled cottages with a sylvan setting against the backdrop of the magical Sahyadris mountain tops.

The bustling woods & garden fronts with paved paths connecting provide the perfect outdoor space, while the fully furnished woody interiors are minimal & overlook the scenic valley.

Aussie Rooms

A serene hamlet that's inspired by traditional Swiss architecture, resembling shepherd dwellings on snowy mountain tops.

Aussie chalets are woody delights that are built with seasoned timber overlooking the forest glade.

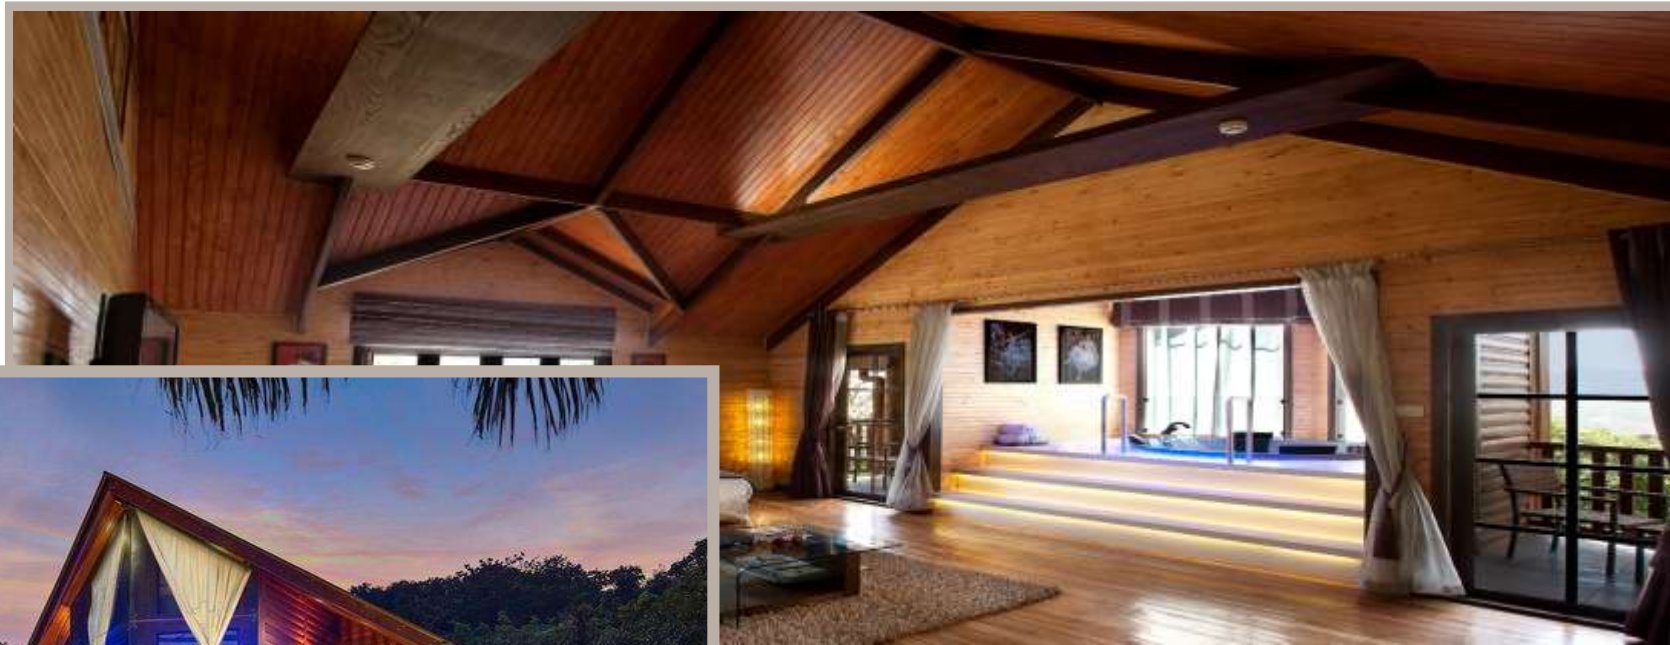

The location is ideal to recreate many scenes both interior & exterior.

Aussie Suites

Nestled amidst the Sahyadris, these wood & glass villas are the epitome of luxury. The suites have an exquisite floor layout, compartmentalized to the upper & lower levels.

These timber havens are effulgent with natural light & are furnished with modern amenities & are equipped to be recreated into different moods.

Aveda Suites

Beautifully designed with modern furniture, luxurious amenities and garden space.

The wooden deck and a private open-air Jacuzzi are some other features of this group of chalets. Perfect with abundant light, offers a lot of space around the chalet for movement, that's very essential for shoots.

Burmese Chalet

Burmese - inspired houses built using layering techniques are employed, where layered flattened wood are used to construct houses.

These cosy wooden chalets ooze warmth as they sit cosily overlooking the valley. There's room aplenty with separate bed space, lounge space and a functional area for easy movement.

Cabana

These wood and glass cabins are perfectly lit with ample natural light and offer a splendid view of the lake from the indoors and outdoors alike.

The wooden deck and mini pool complete the outdoors of these cabanas, making them an ideal location for shoots and stays for crew members.

The Hermitage

Designed aesthetically from timber and glass, Hermitage caters to all holidaying instincts.

The impressively furnished interiors with rustic and wooden décor brings alive the living spaces. Located on the rooftop, it pampers your experience with delightful 180 degrees view of the Hilly City.

ISA Hostel

The International School of Aamby hostel is a 200 bedded block hostel equipped with modern amenities, furniture & necessary functional art props. This place has a lot to offer - different wings, it's beautifully spaced aiding freedom of movement & collectively proves to be a perfect place to recreate scenes and situations.

Service Zone

The service zone offers a set that's ready or lookalike of a tier-2 town, or a colony of staff workers, defense quarters & lot more.

Being on the outskirts of Aamby Valley City, it has grounds & open recreational spaces. It can double up to accommodate your crew on shoots and is 10-15 mins a drive from the city.
